RE: WAIVER CASE MANAGEMENT TRAINING ANNOUNCEMENT

As shared in earlier Executive Memos, meetings and presentations, DHHS has determined the implementation of Waiver Case Management will be July 1, 2019. The Waiver Case Management Standards will increase consumer services by increasing required contacts by case managers, which will also correspondingly increase billing opportunities. In order to prepare case management staff to implement this new service, The SC Department of Disabilities and Special Needs (DDSN) will offer regional and virtual training on the Waiver Case Management Standards to include specific information on the service and reporting billable services. In advance of the July 1, 2019 implementation, training will be delivered on the following dates:
