Re: Vaccinations for ICFs-IID

The South Carolina Department of Health & Environmental Control (DHEC) is asking agencies operating Intermediate Care Facilities for Individuals with Intellectual Disabilities (ICFs-IID) to use DHEC's Vaccine Locator tool ([click here](#)) to identify pharmacy providers in your area(s) of operation to schedule vaccination appointments for your personnel and those you serve.

If you encounter barriers to expeditiously schedule these appointments, please contact Ms. McColloch Salehi, who serves on DHEC's Vaccination Advisory Committee, via email ([salehims@dhec.sc.gov](mailto:salehims@dhec.sc.gov)).

Feel free to contact Mr. Robert "Robb" McBurney via email ([robert.mcburney@ddsn.sc.gov](mailto:robert.mcburney@ddsn.sc.gov)) or by dialing 803-898-9723.

Stay safe.
