Will I receive the Disbursement Request form back signed by the "Agency Head" I would like to include it in our subawards to the Mitosense and James A Haley VA Hospital?

Brandi,

Because these are direct appropriations/allocations to your organization; these project disbursements and expenditures are being tracked and accounted for by the forms issued by the SC Executive Budget Office. These forms were developed to ensure that Proviso 117.21, Proviso 118.19 and the Governor's Executive Order requirements were met by both the organizations receiving the funding and the Agency. As of this time a formal contract is not required.

Thank you,
Bruce

Bruce & Quincy,

We received the funding for both the Carroll Campbell Initiative (CCI) and the \$2 million non-recurring. I wanted to see if we should expect a formal contract? I am working on subcontracts for the other two organizations involved in the CCI and wanted to plan to include the contract if we will be receiving one. This is the first time we have completed a disbursement form so perhaps that replaced the contract for these but I wanted to clarify.

Thanks
Brandi

Bruce,

I have attached the excel sheet for both the Non-Recurring and the Carroll Campbell. Unfortunately, the excel files are protected so we are unable to add sheets or change the sizes of fields, without a password. If you click in the purpose field, the entire purpose is there but you just cannot see it all unless you click in the field due to the size. I am happy to revise or make any edits necessary. I will be checking email throughout the day in case any edits are needed. Please do not hesitate to reach out if any other paperwork is needed from us.

Thanks
Brandi

Bruce,

The same question regarding the purpose for the Carroll Campbell Alzheimer's Initiative:

10/13/23, 2:36 PM

Quarterly Expenditure Reports - Busbee, Bruce - Outlook

The Carroll Campbell Alzheimer's Initiative seeks to advance the development of exciting new cellular therapies for the treatment of Alzheimer's and other neurodegenerative disorders, with the ultimate goal of improving the quality of life of South Carolinians and reducing health care costs to the State.

This will not fit into the box on the form and we cannot edit the box. Do we shorten to "Carroll Campbell Alzheimer's Initiative"?

Thanks,
Steve
